2) The Sy. Secty. was pleased to enquire whether the F.O. Dept. did not change their original instructions this time and whether the point now kept was the same as the one raised by them previously. He was pleased to add that this might be dealt with definitely in the forward notes for orders.

3) It is about this portion marked A in blue pencil in the forthcoming orders that the F.O. Dept.

Contrary to facts. As regards the remaining properties of the Palace referred to in Schedule numbered 1 and 2 other than the building referred to in para 6 of the order. The H. Lady's objection seems to have been amicably withdrawn. (vide para 15 of the formal note on the file). The same remarks seem to apply in the case of the other points raised by her originally, viz abatement of water rate in the case of the buildings other than the two referred to in para 6 of the order, he has not raised the same in his subsequent note

Submitted to His Highness

In November 1912, an order was issued with the approval of His Highness consolidating all the previous orders exempting His Highness from payment of taxes and other dues under certain Regulations and Rules in force in Mysore and observing that in the case of the Palace buildings given as rent free residences to His Highness's relations or to the Palace officials, charges for electric power and water supply were payable by the tenants themselves An exception was however made in the case of tenants already occupying the buildings in question

2 It has since been ascertained that in the case of all such buildings which would come within the exception, the present occupants are already paying for electric power and the exception made is therefore unnecessary

3 I solicit permission to amend the order of 1912 by the omission of the following sentences in paragraph 3 of the Order, as it is not in accordance with facts -

"But such charges will not be levied from the "present tenants Future tenants will be liable to "pay such charges "
